Campus-Oriented Services

The 300-series routes operate primarily to support main campus and its residents while connecting to the Health Sciences Campus. Evening and late night service to many of these stops is provided by 850 Pirate Ride and SafeRide; see their schedules for details.

302 Health Sciences schedule has been adjusted to serve the new Health Sciences Student Center location. Please note that departure times for this route has been affected by this schedule adjustment. Refer to schedule listing for any changes in departure times.
